BRIEF ABSTRACT OF LETTER

Reforrs the circumstances under which the Jeevanarayankere tank bed in the Mysore City is proposed to be sold to Mr K Srikantiah at a nominal price of Rs 50 an acre for establishing a rice mill.

NOTES AND ORDERS

The latter ground on the Viceroy Road in front of the Royal Hotel forming part of the Jeevanarayankere tank bed was, some years back applied for by certain gentlemen at Mysore for erecting the

receipt of intimation from the Secretary for Railways that the land applied for might be required for Railway purposes at some future date. This aspect of the question does not seem to have been presented to the Council and the Local Board when referring Mr. Seetharamiah's application for their opinion.

3. The land applied for by Mr. Seetharamiah lies to the east of the Viceroy road (vide sketch) close to the Railway Station. Hence, the objection taken to the grant of land to the west of that road "for buildings or for any other purposes" seems to apply to this land as well. The Secy. for Railways may, perhaps, be consulted in the matter.

7-3-10-

D.O. No. 7530 12

D.O. OFFICE OF THE DY COMMISSIONER,
MYSORE DISTRICT,
23rd Dec 1909

Dear Mr. Commissioner

With reference to your D.O. No 286 of 6th Inst. regarding the grant of a site to the K. Srikantayya to erect a mill. I have the honour to submit herewith the connected papers and plan for orders of the Government.

2. As to the objections of the Mr. K-S's application I have no remarks to make as the map of the site only was sent to me and I have not visited the ground.

15

Submitted to His Highness

These papers relate to the application of Mr. K. Sreekantia, Retired Assistant Commissioner, for a site to establish a Rice Mill at Mysore.

2. Mr. Sreekantia first applied for a site in the bed of the Jeevanroyan Katte very near the Railway Station, but the Government considered it inexpedient to grant it for the purpose in question, and suggested that a site more to the east might be selected if available

R

3 The President of the Mysore City Municipal Council after due inquiry and investigation now reports that Mr Sreekantia has selected another piece of land in the bed of the same (Jeevanrovan Katte) tank and situated to the north of Nanjaraj Bahadur's Chattram, and that the Municipal Councillors who have inspected the said land are of opinion that this land measuring about 4 acres might be sold to Mr Sreekantia for the purpose of a rice Mill for an upset price of Rs.500 subject to such terms as might hereafter be imposed by the Chairman of the Board of Trustees in a matter of construction, sanitation &c The President

under subject C

4 acres and 6¾ guntas according to the plan

strongly supports the recommendation of the Council. The site in question is shewn in the plan marked A.

4. The First Councillor considers that the site now selected is free from objection and may be granted to Mr. Srikantia for establishing a rice Mill with modern improvements and that the price fixed for the site, viz. Rs.500 for 3 acres and 6¾ guntas is very moderate He adds that Mr Sreekantaia should be required to have the work completed and the Mill in working within a stipulated period, say one or two years, failing which the land may be resumed by the Municipality, and that it should be a condition that the site is not to be used for the construction of dwelling houses.

5 I agree with the First Councillor and submit the papers for orders

6 It may be noted that the site now applied for differs from that referred to in the Huzur Secretary's D O No 114 dated 23rd August 1909, but seems to be identical with the site No 6 referred to in Kantaraj Urs' D O dated 23rd December 1909, the plan of which appears to have been submitted to His Highness. This is less objectionable than the site first asked for but possesses the same advantage of proximity

proximity to water supply.
